TREDYFFRIN TOWNSHIP
PLANNING COMMISSION

Tredyffrin Township Municipal Building, Keene Hall
Thursday, November 19, 2026 – 7:00 pm
Agenda

Call to Order:
Consideration of Meeting Minutes: October 15th, 2026
New Business:

Data Center Ordinance (Tredyffrin Township) An ordinance of the township of Tredyffrin, Chester County, Pennsylvania, amending chapter 208, zoning, of the code of Tredyffrin Township by adding new section 208-42.5 titled, "Design for Data Center and Data Center Campus" for the LI: Limited Industrial and PIP: Planned Industrial Park Districts of the Township.

This is the applicant's first appearance before the Planning Commission. No MPC deadline

Next Meeting
December 17th, 2026

****Due to recent incidents of scam emails targeting Planning Commission applicants, the Township will no longer provide direct links to application materials, plans and review documents on the agenda posted to our website. All requests for application materials, plans and review documents must be submitted through a Right-to-Know request. This change is intended to protect applicant information and prevent unauthorized access by automated bots or malicious actors.**
