Lamb McErlane PC

December 6, 2017

Dear Neighbors,

This letter is to notify you starting on December 11, 2017 and continuing for four (4) weeks, Tredyffrin Township Public Works will be replacing two (2) 48" storm sewer pipes under the Avonwood Rd. surface. The pipes are located between #803 and #804 Avonwood Drive. During this time the road will be closed to ALL traffic. To access the community please either the Pugh Rd entrance or W. Valley Rd. Tredyffrin Easttown School District as well as all emergency responders have been notified of the closure.

Upon completion of the pipe replacement the road will receive a temporary blacktop surface. The Township will return in the spring to pave the road with a permanent surface.

We apologize for any inconvenience and thank you for your cooperation.

Sincerely

Darin Fitzgerald
Director of Public Works
Tredyffrin Township
