## Leaf Hauling Regulations Fall 2014

License for leaf disposal @ \$50.00 / vehicle / Season - obtained at the Township Building

License sticker **must** be attached to each vehicle dumping

Contractors to haul **Leaves only** to the Mill Road site No branches, sticks or wood chips

There is a permit fee required for each property serviced and the permit **MUST** be signed by the property owner. The permit will only be good for one property and will indicate the number of loads of leaves to be taken from the property. The permit **MUST** be brought with **EACH** load to be dumped or you will not be able to dump. The Township person checking the permit will sign and date each load dumped. After the last load allowed by the permit is dumped, the permit will be kept by the person at the leaf site. Additional loads for that property will require another permit.

### **PAYMENT ACCEPTED BY CHECK ONLY AT THE FOLLOWING RATES:**

Cost per load: **\$20 for a 4 wheel vehicle**

**\$34 for a total combination 6 wheels (trailer) dump or stakebody**
