

NOTICE OF TREE WORK

Dear Valued Customer:

PECO Energy has scheduled routine maintenance work on the Transmission Line Right of Way.

This work is necessary to ensure the safe delivery of electrical power to our customers.

The work will consist of one or more of the following activities:

- Tree Trimming
- Tree Removals
- Mechanical Brush Clearing
- Herbicide Applications

0960

Planner Comments:

Asphalt Tree Expect to Will Be
Being Routine Maintenance on
PECO Energy's 220-24 Transmission
Power Line!!
