Halloween Costumes:
- Make sure that all materials are flame resistant
- Use bright lights or colors
- Increase visibility by placing reflective tape on all parts of the costumes, including the sides and back
- Wear a costume that fits, one that does not drag on the ground
- Stay away from masks that restrict breathing and prevent good vision
- Use non-toxic face paint or make up
Make Sure Treats Are Safe: DO NOT EAT ANYTHING UNTIL IT HAS BEEN CHECKED!!!

- Never eat anything that is NOT wrapped
- Throw away unwrapped food
- Discard anything that appears to be tampered with or looks suspicious

General Safety:
- Carry a flashlight when trick or treating
- Stay in a group on well-lit, familiar and safe streets
- Stay on sidewalks. If you must be in the street, watch for traffic
- Do not go inside a home or a vehicle for candy
- Call 911 to report anything suspicious
- HAVE FUN and BE SAFE!!!!
