Dear Bill:

Our sixth annual **Shire's Big GIVE benefitting Cradles to Crayons** was a huge success thanks in great part to the exceptional support from the team at Tredyffrin Township. This year's Big GIVE collected donations from across Southeastern Pennsylvania to help **4,627** children in need. This special initiative would not be possible without the collaboration with Township employees whose attention to detail and hands-on engagement at Wilson Farm Park provides a smooth experience for Shire employees, donors and volunteers.

I extend a special thanks to Hilliary Mallory of the Township's Public Works team for her ongoing and dedicated support of this project over the past six years. Hilliary helps make this a flawless event – from banner displays and grounds maintenance to traffic flow and more – aligning all the elements with Shire project leader Emily Berish for the Shire and Cradles to Crayons teams. The fun competition between your administrative, library and police services units to collect the most pants in support of this year's Big GIVE exemplifies the true partnership we enjoy with your team, and Hilliary's commitment to not only her role with the Township, but to constituents like Shire, and to kids in need who benefit from the amazing work of Cradles to Crayons.

Your team is delivering on its mission to provide superior service, and that the hard work and dedication demonstrated everyday by all Township employees is recognized and greatly appreciated by your colleagues and neighbors at Shire. Thank you, Bill, for your active support of Shire's Big GIVE and for the continuous service provided by your teams that make the Township a special place to live and work.

Yours sincerely,
