

**Tredyffrin Township Environmental Advisory Council
Meeting Agenda
February 14, 2017**

Reports

- **Doug:** Progress contacting Gateway owner re: planting in floodplain (in connection with live-stake planting in March)
- **Doug/guest:** Emerald ash borer and appropriate steps
- **Mary:** Backyard Bird Count Information (BBC Feb. 17-18-19, lecture at Jenkins Feb. 11, 10:00 a.m.)
- **Mary:** Thanks sent to participants in Crabby Creek planting
- **Mary/Doug/Erin:** Report of meeting with Township Engineers at Westover Bird Sanctuary.
- **Jim:** quotes, info re: EAC-logo tablecloth

New

- **Ernst:** **Source for live stakes** other than *Salix nigra*; highly recommend adding *Cornus sericea* and others to our mix.
- **Downed tubes at Crabby Creek: need for continued monitoring**
- **Draft proposal** for EAC and Parks/Rec to submit to BOS re: Westover Bird Sanctuary
- **Live stake planting:** March _____
- **Grant proposals**

Continuing discussion
