Tredyffrin Township Arts Commission: Commissioner Role Available

About the Commission

The Tredyffrin Township Arts Commission advises the Board of Supervisors on public art applications and supports local creative and community-based cultural initiatives. The Commission is a small yet active, volunteer-led organization that in 2026 hosted a juried student black-and-white photography exhibit, a multi-media juried exhibit celebrating Valley Forge National Park, a kindness rock painting at a local preserve, and a pop-up art exhibit at Valley Forge National Park. 2027 plans include several juried exhibits as well as the installation of a painted bench at Tredyffrin Library and a local shopping center.

The Opportunity

The Commission has a vacancy for a volunteer Commissioner. This is a chance to highlight the Township's look and creative life and to work alongside neighbors who care about the arts.

Responsibilities and Time Commitment

- Evening meetings are held in person, once a month, at the Township Building on the third Tuesday of the month at 5:30 pm. Commissioners are expected to attend at least 9 Commission meetings each year.
- Lead (or co-lead with another Commissioner) at least one Commission event each year.
- Prepare in advance of each meeting by reviewing documents and providing timely comments on emails.
- Attend Commission events and actively promote Commission events and activities through your personal or professional networks.

Requirements

- Resident of Tredyffrin Township.
- Basic computer skills, such as email proficiency and ability to send attachments, open online or excel files, etc.

Experience

You do not need to be an artist. What matters more is hands-on involvement and a passion for promoting the full spectrum of arts and artists (such as performing arts, fine arts, music, etc.) in Tredyffrin Township. We welcome individuals who can put their experience in the following areas to work for the Commission:

- Board or public commission experience
- Project management and execution
- Grant writing and sponsorship
- Finance or budgeting
- Marketing and event promotion

How to Apply

Send a brief bio and a letter outlining your interest to Tredyffrin@Tredyffrin.gov with "Arts Commission" in the subject line.
