AGENDA

- **Welcome and Introductions**

- **Presentation and Project Overview**
  Planning Commission staff will make a presentation to give an overview of the project as well as explain what a comprehensive plan is and why it is important.

- **Visioning Exercises**
  - *Places Preserved, Enhanced, or Transformed*
    Activity for those in attendance to denote on mapping of the Township specific areas that should be preserved, enhanced, or transformed.
  - *Spending Priorities*
    Activity to hear from those in attendance on how they would like to see funding allocated for different Township services and/or amenities.

- **Map Gallery – Open House**
  The meeting will conclude with those in attendance providing their thoughts and/or corrections to the various maps being displayed, as well as any initial comments they may have on the topics illustrated by the mapping.

- **Adjournment**
