William Martin
Township Manager

Lamb McErlane PC
Township Solicitor

Hello,

The following is a capital construction project update from Tredyffrin Township for the Valley Creek Trunk Sewer Project. You are receiving this message because you may live on or near a street that may be affected by the construction which will include underground pipe and manhole replacement within the public roads, right-of-ways, easement areas and/or Township Parks.

The Township has hired Neshaminy Construction to construct the upgrades and improvements to the sanitary sewer. Work will begin during the week of January 28, 2013 and last through the end of November 2013.

For specific project updates, details and project schedules, road closures and maps of the work area, please contact the Township Engineering dept at 610-644-1400 or through email at EngineeringDept@tredyffrin.org. Additionally, information and updates will be posted regularly on the website. The Township's website is www.tredyffrin.org.

Thank you for your patience.
