RE: Pennsylvania Turnpike Milepost 320 to 326
Roadway Widening and Reconstruction Project
***Tredyffrin Township Stormwater and Grading Permit -
Review Letter No. 2 (Plans received June, 2013)***

Dear Mr. Scheurich:

Enclosed you will find the Township Review Letter No. 2, generated by E.B. Walsh and Associates on behalf of Tredyffrin Township, for the Stormwater and Grading Permit application submitted to the Township in June, 2013. The attached Review Letter No. 2 provides comments on the proposed Post Construction Stormwater Management Plans and Reports submitted by STV for compliance with HR-375, Chapter 174 – the Tredyffrin Township Stormwater Management Ordinance.

The attached review letter only addresses the portions of the Milepost 320-326 Widening and Reconstruction Project located within Tredyffrin Township, Chester County, PA.

As stated in our previous conference call, the Township staff and our consultant, EB Walsh and Associates, as always are available to meet with the Turnpike and your consultant team, STV Inc., to discuss comments or questions you may have from this review letter. Please contact me at (610)-408-3616 with any questions or comments or to schedule a meeting.

Sincerely,

Stephen Burgo, P.E.
Township Engineer
