## Compact Fluorescent Bulbs – CFL's

### IKEA

Ridge Pike, Conshohocken, PA

[www.sylvania.com/Recycle](http://www.sylvania.com/Recycle)

[www.lamprecycle.org](http://www.lamprecycle.org)

**Bring to an HHW event – If an HHW event is not available – Seal in 2 plastic bags with a twisty tie if necessary and place it in the trash.**

### If a fluorescent bulb breaks – Recommended Practice:

Close off the room to other parts of the building. Open a window to disperse vapor and leave the room for at least 15 minutes. Wear disposable gloves. Scoop fragments with stiff paper and wipe area with a damp disposable paper towel to remove glass fragments. All fragments should be disposed in a sealed plastic bag. Tape can be used to pick up small pieces and powder. Do not use a standard vacuum cleaner. Avoid generating dust. The first time you vacuum, remove bag and dispose in 2 sealed plastic bags.

## Electronics
